

Giti

Giti Comfort F22

GitiComfort F22 is a passenger car tire featuring silence and comfort, less energy consumption, and outstanding handling in wet conditions.

Rim size:

16 - 18"

Aspect Ratio:

40 - 65

Max. speed:

180 - 270 km/h

advanztech
Giti Noise-Reduction
Technology

The unique noise-reduction technology not only reduces the noise decibel value, but also improves the ride comfort. Lower rolling resistance and shorter braking distance on wet ground bring pleasant and safe driving experience to drivers.

| | Size | Speed Rating | Load Index | | Size | Speed Rating | Load Index |
|-----------|-----------|--------------|------------|-----------|-----------|--------------|------------|
| 15 | 185/65R15 | T | 88 | 17 | 205/50R17 | V | 93 |

COMFORTABLE AND QUIET

- Accurately adjusted pattern length and alignment:
Reduces noise of the patterns, improving ride comfort

- Multi-angle design of pattern grooves, to effectively suppress tire ground noise:
-Reduces noise caused by pumping effect

- Silent design of tire outline and construction, and intelligent simulation evaluation method:
Reduces noise caused by tire construction vibration

ENERGY SAVING, ENVIRONMENT PROTECTION

- Brand new silicon-oriented technology and mixing technology, decreasing heat from rubber
- Reduces heat from tire and rolling resistance, saving fuel

NON
Aromatic
Oil

ECO
FRIENDLY

WET DRIVING SAFETY

- High-dispersion nano-silica and sipe system combines to break through residual water film :
Improve drainage by breaking through residual water film, thus shortening braking distance and improving safety on wet ground
